

**Catholic Identity – Participation in Religious Services**

All students, regardless of religious affiliation, are required to be present and in attendance at all religious and liturgical services that occurs as part of the educational program of our Catholic Schools. This includes but is not limited to: Masses, Daily Prayers, Benediction, Stations of the Cross, Eucharistic Adoration, and other prayer or liturgical events provided by the School or the Church for the Children and/or the Families. These services may be included in the school day but exceptions as noted by the local school may be added.
