

## **Let us help you sustain and grow our Catholic community!**

The U.P. Catholic Foundation connects faith with charitable giving through endowment building for long-term support of Catholic ministries in the Diocese of Marquette. Visit our website to learn how easy it is to give to an existing fund or set up a new fund to benefit your parish, Catholic school or other Catholic organization in our diocese. Learn who is on the board, view the annual report, learn about benefits and impact to recent donors and beneficiaries.
