AUTHORIZATION FOR RELEASE OF INFORMATION

Each parish in our diocese is responsible for the Sacramental Records they generate. The records of closed parishes are kept at the open parish near the original parish. Sacramental records are private and to be used for Sacramental purposes. Parishes are not obligated to fulfill requests for non-sacramental purposes. The person requesting the release of the record must be the person named on the certificate, the parent of a minor child named on the certificate, or the spouse or adult child of a deceased person named on the certificate.

I, _____, hereby authorize the parish of
