- ❖ 10% Catholic Action Fund

WELCOME!

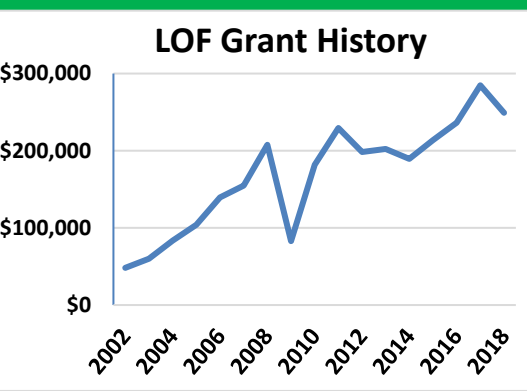

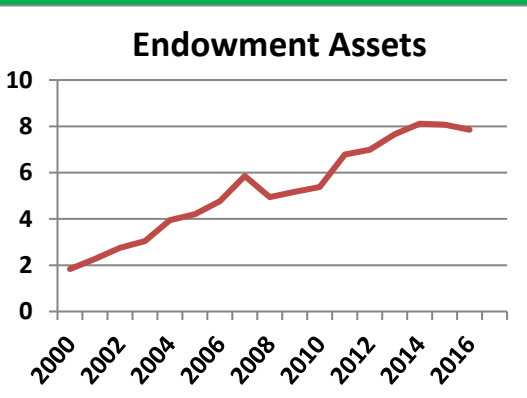

Our mission is to preserve and foster the Catholic faith in the Upper Peninsula. This is accomplished through endowment building and grant making that supports, enhances and expands the base educational programs and services of our Diocesan Church.

Excellent programs require substantial, consistent and permanent funding. Legacy of Faith is a permanent endowment that provides a stable base for that funding.

Established in 1999 by Bishop James H. Garland, the Foundation assets are managed for long-term growth in a socially responsible manner that upholds Catholic values and teaching.

Our bishop, with the advice of the Legacy of Faith board, oversees operations and focuses Legacy of Faith spending on diocesan priorities.

Can you imagine a better return on any investment?
